

TROOP Rugged Mutts

STORM WARNING

PREPARE FOR YOURSELF

A very commonly overlooked part of dog care is what we do for storms and other emergencies, so let's build a plan together to make staying or evacuating easier for your furry family.

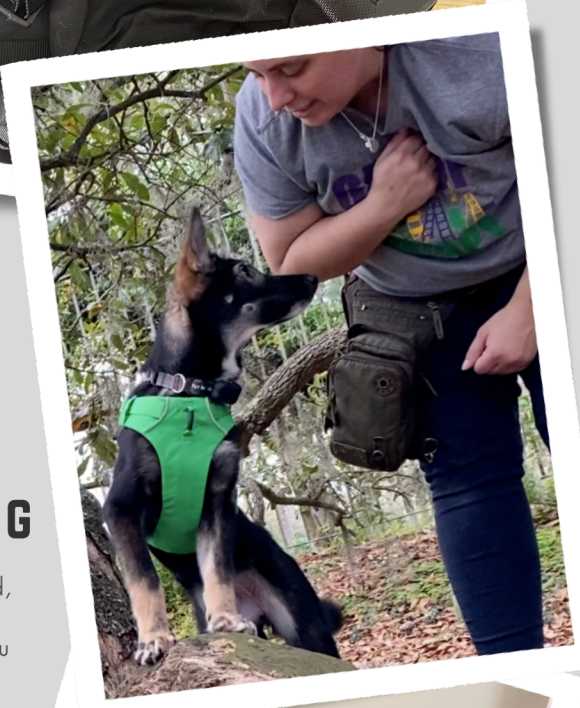

MAKE A PLAN

Make a file with emergency info, contacts, records and a plan with where you can stay safe as a family in place and where you can go. In some cases this may even mean splitting up - that's ok, just assemble everything.

PACK YOUR BAG

Assemble a list of items you need, make a shopping list, and assemble an emergency bag. You can make one per pet, one for the family - whatever works for you. This bag will always be a work in progress (and that is ok). The important thing is to start where you are and build it up over time to match your lifestyle and needs.

SHARE IT

Go to the Rugged Mutts site, submit an image of your plan and your pack. We will add your patch to your triannual troop report.

YOU DID IT!
