## TRAIL DOG

### LET'S ADVENTURE

While ever time of year has it's beauty Spring is a wonderful time to explore trails and walking paths in your area or while traveling. Follow the local/park regulations and training safety and spend some time in the great outdoors together.

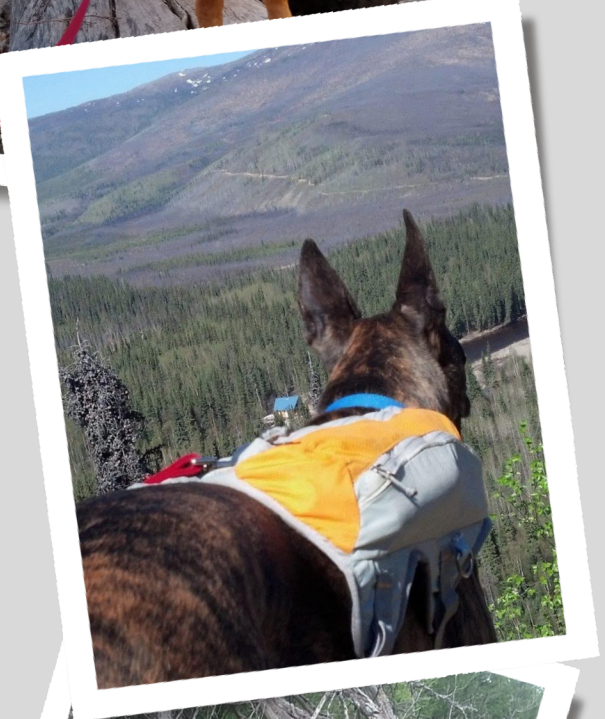

### LOG YOUR TRAIL

Use a Fitbark, watch, or any other tracking device to 10+ miles on a trail or path. You should also take a photo of your dog at the trail head, a few photos or video on your hike.

### SHARE WITH US

Go to the Rugged Mutts site, submit an image of your log and photos/videos. We will add your patch to your triannual troop report.
